Competitors will only receive an award if they have achieved the qualifying standard. Swimmers must ensure that they are suitably clothed (t shirt and shorts) when receiving awards.

ENTRIES

Qualifying and Consideration times will be applied. Age Group entry times must be faster than the CT and Open faster than the QT. Entry Times outside these limits, and entries with 'No Time' submitted will be rejected.

The sport of swimming for athletes with impairment is governed by the IPC, and co-ordinated by the World Para Swimming Technical Committee, using the International Swimming Federation's (FINA) modified rules.

"It is important that within the competitive programme, individuals are able to compete in events which are appropriate to their stage of development and talents".

Entry Times must have been obtained at a licenced meet, and random checks will be made against the ASA Online Rankings Database. City of Cardiff Swimming Club may request validation of any stated entry time.

Para swimmer entry will only be accepted from classified swimmers with British/IPC classification. Swimmers without a classification will not be able to compete.

Para swimmers will be integrated into events in accordance with their entry time which must be faster than the para swimmer consideration standards in the designated events set out in this meet pack. They can only enter the events listed in these standards.

If swimmers are found to have entered the meet with any false or made up times, they will be disqualified from all events that they have entered and their entry fees will be forfeited.

Entry times may be submitted as short course or long course times using the Hy-Tek entry file but will be converted to long course times using Hy-Tek's Meet Manager software. Estimated times are not permitted.

The electronic event entry file can be obtained from the Cardiff International Open Meet page on our website: www.cardiffswimming.co.uk

Electronic entries/enquiries can be emailed to home.meets@cardiffswimming.co.uk

The Meet Organizers will be responsible for having up to date information about each swimmer at entry and will provide this to the meet referee prior to the commencement of the Meet. In order to comply with this, we will confirm the information to swimmers and request that they/Clubs confirm it is correct and up to date.

Clubs are requested to send all entries with an entry report, completed summary sheet and any poolside applications at the same time with one payment, preferably via BACS transfer, to cover all swimmers and coach passes.

Cheques are to be made payable to City of Cardiff Swimming Club.

- ❖ Improved entries
- ❖ Received after the closing date MONDAY 23rd April 2018 at 20:00
