In light of the decision by Legacy Leisure to take away the 4 lane tank and part of the 6 lane tank for the duration of our traditional Monday club night in order that they can put on more swimming lessons, we have had to reorganise the available pool time to accommodate all of the squads.

The table above highlights the changes, which will be effective as of 4<sup>th</sup> March 2019.

It is very disappointing that we are left in this position. As we are trying to get more squads into less pool space the lanes will be busier than current levels, but it is the only way we can preserve club night and allow the entire club to be together one night of the week.
